

STAYING COVID-19 SECURE IN 2021

WE CONFIRM WE HAVE COMPLIED WITH THE GOVERNMENT'S GUIDANCE ON MANAGING THE RISK OF COVID-19.

Working with our health and safety consultants from Southalls, we are implementing the:

FIVE STEPS TO SAFER WORKING TOGETHER

- 1 We have carried out a COVID-19 risk assessment and shared the results with the people who work here.
- 2 We have cleaning, handwashing and hygiene procedures in line with guidance.
- 3 We have taken all reasonable steps to help people work from home.
- 4 We have taken all reasonable steps to maintain a 2m distance in the workplace.
- 5 Where people cannot be 2m apart, we have done everything practical to manage transmission risk.

Please contact the manager on site if you have any questions.
